Jeff,

Attached is a new request in which you are mentioned as someone who may have responsive info. I'm also assigning this to OEP because of the mention of Thelma Murphy and Suzanne Warner. If someone else needs to be included please let me know. I'm cc'ing Mike Wagner, since he's acting for Joanna this week.

All written communications, including but not limited to email communications, created or received by Region 1 EPA personnel between January 1, 2016 and March 21, 2017 related to the Arboretum Village Estates Construction Development in Worcester, MA. This development is regulated under EPA's General Construction NPDES Permit. Its NPDES permit tracking number is MAR12A693. Region 1 EPA personnel who have created or received such communications include, but may not be limited to, Suzanne Warner, Thelma Murphy, and Jeff Kopf.

I did an internet search on the requester, because he listed no organization and used a gmail address, and he comes up as an environmental lawyer out of Worcester. I'm not sure why he didn't list his law firm or use the Worcester address.

Please remember to keep track of all cost information and submit it to me when complete. Thank you.

Cris
